Grant Application

Country Coast Classic (CCC) collaborates with the Cambria Community Council in funding grant applications submitted to them within their deadlines. Please do not submit a separate application to CCC if an application has been submitted to the Community Council for the same program or activity. For programs or activities for which an application was not submitted to the Community Council, please submit an application directly to CCC using this form. Applications submitted directly to CCC by May 15 either by U.S. mail or email will be evaluated for funding and applicants will be notified by June 1.
