

COVID has upended our lives more than we could ever have imagined. But DO imagine the lives of our kids who are trying to make sense of things, who are still needing to be involved in learning and enriching activities.

The Youth of our community STILL need their programs to be funded! So, the

Gene Cerise Memorial Country Coast Classic is going **VIRTUAL!**

All past riders will be invited to ride *wherever* they wish (or come to our town) and will sign up to pledge an amount per mile (or a flat fee) on **Father's Day Weekend, June 18-19.**

Sponsorship Agreement Form

We offer six levels of sponsorships. In addition, we accept cash donations. Your support helps us to ensure that your donated funds go directly to the funding of youth programs and activities locally. Our goal (our first VIRTUAL year!) is to raise **\$15,000.** *See attached Grant Recipients list from 2021.*

Choose your level of support (please check level)
