Dear Members of Country Coast Classic:

On behalf of the staff and students of Cambria Grammar School we want to thank your organization for the generous donation of **\$2550.00 to support our 5th grade Yosemite Institute field trip; 4th grade Rancho El Chorro Outdoor School, STEM supplies (Science, Tech, Engineering, Math), and supplies need for our afterschool 123 Homework Club.**

The Yosemite Institute is a once-in-a –lifetime experience for many of our students. Rancho El Chorro is our students' first experience in an overnight setting. Our students and parents look forward every year to each of these two outdoor learning experiences. Your donations also help reduce the cost for students and parent chaperones for each of these outdoor schools.

Sincerely,
